BLACK DOG CLAYS · BOISE, IDAHO

Squads of 6 Shooters | 100 Bird Event

RMHC of Idaho is excited to hold the 18th annual Western States CAT Sporting Clays Tournament to support families with sick kids. As always, the safety of our sponsors, participants, volunteers and staff is our utmost priority. Due to current social distancing, mask-wearing, and group gathering protocols, our Tournament sponsors and participants will play on their own again this year. The format is still a 100 bird shoot at Black Dog Clays that includes your ammunition, targets, gift and Tournament poster. You can shoot on your own or with your team. The available dates to shoot are June 2, 3, 5 and 6. You can indicate your preference when you register.

Although we miss the typical comradery of our Tournament, we are excited to still be able to hold the Tournament to support the families and children we serve. If you are not able to participate this year, non-player sponsorships are also available or please consider making a gift online.

Sporting Clays is the closest thing to actual field shooting of all shotgun sports. Rather than having clay birds thrown from standardized distances and angles as with skeet or trap, sporting clays courses are designed to simulate the hunting of ducks, pheasants, other upland birds, and even rabbits.

BUCK-A-BIRD PRESENTED BY COMMERCIAL TIRE

This year we are highlighting The Buck-A-Bird Team Challenge presented by Commercial Tire. This "event-within-the-event" will feature six-person corporate and individual teams competing for prizes that are awarded to each member of the top three fundraising teams. Competitors will have the opportunity to sponsor themselves by pledging a dollar amount towards each "bird" they break during the course of the Shoot. Competitors can also enlist the help of non-competitors to pledge towards their total fundraising score.

As an added incentive, we are introducing a traveling trophy and permanent plaques which will be displayed at the Black Dog Clays facility.
