About The Event

Join us for some competitive grape stomping fun at Kerry Hill Winery while raising money to support families with ill or injured kids. This exciting event will include a fun grape stomping competition, food trucks, costume contest, and raffle for a case of wine. A suggested donation to RMHC of Idaho will be collected for parking. All are welcome to watch the fun!

There will be six heats with six 2-person teams per heat. One person will run into the vineyard and cut grapes off the vines and their partner will stomp the grapes. The heats will be timed and the fastest team to fill the container with grape juice wins!
