“The Ronald McDonald House truly became a home-away-from-home for us, providing a comforting and supportive space during a challenging time. We are incredibly grateful for the care and support we received from Ronald McDonald House Charities of Idaho. Their hospitality made a world of difference in Jake's recovery journey and our ability, as Jake's parents, to help him through the more crucial time in his recovery.”

A MESSAGE FROM OUR Executive Director and Board President

As we reflect on the past year, we are filled with gratitude and pride for what our organization has accomplished in fulfilling our mission to keep families together during times of medical need. Our journey over the past year has been marked by growth and change, but through it all, our commitment to those we serve has remained unwavering.

This annual report is not just a collection of numbers and statistics; it is a testament to what is possible when donors, sponsors, volunteers, board and committee members, and staff come together for the greater good of the community. Behind this report lies thousands of families with ill or injured children who needed a place to stay while their child was receiving medical care. Not only were we able to provide a warm and welcoming environment, but we were also able to provide food, clothing, toys, books, a sense of comfort and so much more.

The leadership transition we experienced this year begins a new chapter at the Ronald McDonald House Charities of Idaho. While change can bring uncertainty, it also presents opportunities for advancement and innovation. Our path forward will be led with courage, compassion and a steadfast dedication to serving families in need.

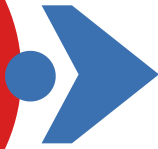

Thank you for being a part of the RMHC family and our mission. Your support has made a huge difference in the lives of those we serve.
